Re: Illegal Offering of Processing Key to Circumvent AACS Copyright Protection:
uscwined.blogspot.com/2007/02/holy-grail-located-hd-dvd-and-blu-ray.html

Dear Google Inc.:

We represent Advanced Access Content System Licensing Administrator, LLC (AACS LA), developer, proprietor and licensor of the Advanced Access Content System (AACS). AACS is an integrated set of technological measures that controls access to and prevents unauthorized copying of copyrighted motion pictures embodied on high definition DVDs.

It is our understanding that you are providing to the public the above-identified tools and services at the above referenced URL, and are thereby providing and offering to the public a technology, product, service, device, component, or part thereof that is primarily designed, produced, or marketed for the purpose of circumventing the technological protection measures afforded by AACS (hereafter, the "circumvention offering"). Doing so constitutes a violation of the anti-circumvention provisions of the Digital Millennium Copyright Act (the "DMCA"), 17 U.S.C. §§1201(a)(2) and 1201(b)(1). Providing or offering the circumvention offering identified above, and any other such offering that is primarily designed or produced to circumvent protection measures, or which has only limited commercial significant purpose other than to circumvent, or which are offered to the public with knowledge that it is for use in circumventing, violates the rights of AACS and any others harmed as well. See §§ 1201(a)(2), 1201(b)(1), and 1203.

In view of the foregoing apparent anti-circumvention violations, we demand that you immediately:

1) remove or cause to be removed the above-specified AACS circumvention offering and any other circumvention offering which is designed, produced or provided to circumvent AACS or to

assist others in doing so, and/or any links directly thereto, from the URL identified above and from any other forum or website on which you have provided any circumvention offering; and 2) refrain from posting or causing to be provided any AACCS circumvention offering or from assisting others in doing so, including by direct links thereto, on any website now or at any time in the future.

Failure to do so will subject you to legal liability.

Please confirm to the undersigned in writing no later than noon a week from the above-indicated date that you have complied with these demands. You may reach the undersigned by telephone at 212 969 3950 or by email at csims@proskauer.com. AACCS LA reserves all further rights and remedies with respect to this matter.

Very truly yours,
